### Welcome to Historic Micanopy!

Micanopy Florida is a scenic location for a fall arts and crafts festival. Micanopy is the town that time forgot. This quiet little town bustles with activity as the vendors pour into town and fill Chokolka Boulevard. Many local artists, crafters, and musicians participate in the festival, as well as other artists from across the southeast. The tradition and ever evolving quality of the show attracts a broad range of the buying public. Along with the two hundred art displays and crafts there are many other attractions.
