Step into a world of Victorian splendor at the historic Windsor Hotel in Americus, GA

Experience the charm of Southern hospitality at the Windsor Hotel, Ascend Hotel Collection®, a historic hotel in downtown Americus, GA. Built in 1892 and lovingly restored, the Victorian architecture combines the elegance of a bygone era with modern amenities. Once the site of grand social gatherings, this boutique hotel offers an unparalleled blend of historic charm and contemporary comfort.

The Windsor Hotel features 53 uniquely designed guest rooms, including the renowned Carter Presidential Suite, frequently visited by President Jimmy Carter. Guests can enjoy the grand three-story atrium lobby and period-style furnishings, while modern conveniences such as flat-screen TVs, granite countertops and free WiFi ensure a comfortable stay. Recognized by Georgia's Department of Tourism for Excellence in Customer Service and awarded the National Preservation Award, the Windsor Hotel is more than just a place to stay—it's a historic destination that invites guests to immerse themselves in the beauty of Southern history and modern luxury.
