## Important message from Stefan:

We have had many new callers and email subscribers reaching out to us with questions about who we are and the services we offer in the Travel Industry. Let me introduce myself. I am Stefan Shields, Owner, Travel Advisor and Tour Manager of Join the Fun Tours LLC a (60+ Active Senior Travel Company) \*an affiliate of Odyssey Travel, VIRTUOSO

While we may not offer as many Day Trips, Motor Coach Tours, and Cruises as others, we Focus on Unique Travel Experiences, Value, and Quality over Quantity.

Join the Fun Tours **Does NOT Offer** Travel Rewards or a Point System (\$ BACK) to earn your business, those are catchy gimmicks with a **Higher Price**. Instead of managing points, we use our time to prepare wonderful and exciting travel options for you. **Thank You** for trusting us and giving us the opportunity to do this for you. Our guests' book with us as they know we already offer the Best Priced Tours, that is the Reward.

While our travel company is extremely popular, I know not everyone will like our services or how I manage my tours. Honestly, we do have a few less than 5 star google reviews. While I try to give 200% to all guests on my tours you cannot please everyone, I get that, but I will always strive to give my best.

However, Stefan's Join the Fun Tours does have over **(100) Positive Five Star Google Reviews**, and we do sell out all Day Trips, Motor Coach Tours, Group Cruises, and Luxury Tours. **I do not take this for granted**. This is **Only Possible**, because of our Loyal Friends and Guests, I am so appreciative of you!

Stefan's "Join the Fun Tours" has been used by Copycats, especially using the word **FUN**. It is truly a Compliment! However, we have always Offered the Most "Fun" and Best Priced Day Trips, Tours & Cruises from your area! Others try to duplicate; *however*, WE are the "**ORIGINAL**". Celebrating (8) years of consistent tours from day one and we will not change who we are to compete with others.

Virtuoso travel is a luxury travel network connecting elite travel agencies, advisors, and top-tier partners (hotels, cruises, tours) to offer clients custom, high-end, and experiential journeys with exclusive perks like upgrades, credits, and VIP access, often at no extra cost to the traveler.

### **Our Travel Company Offers:**

- We offer *Annual Travel Insurance* starting at \$510 for \$5,000 worth of coverage and up to a \$15,000 Policy for trip cancellation, cruise evacuations, even personal travel, or travel booked through other travel sellers.

I look forward to Traveling with you in 2026!

Sincerely,

Stefan
