Plus, this Nashville cruise on one of the country's largest paddle-wheel boats includes hotel pickup and drop-off, making it even more appealing for travelers.

RCA Studio B Tour - Enhance your Museum visit with the Historic RCA Studio B Tour. The tour will transport guests back to moments that made history. You'll stand right where Elvis Presley, Dolly Parton, Waylon Jennings, and other greats recorded hits, and hear stories and songs born in this historically important studio.

The Country Music Hall of Fame- And Museum is the home of this popular American art form, safeguarding over 2.5 million artifacts, with two expansive floors of gallery space featuring permanent- and limited- engagement exhibits.

The Johnny Cash Museum- Ranked as the number one music museum in the world by Forbes and National Geographic Traveler, the Johnny Cash Museum holds one of the world's largest and most comprehensive collections of Johnny Cash artifacts and memorabilia in the world.

Nashville's Honky Tonk Row-As the Grand Ole Opry took its place at the Historic Ryman Auditorium and in music history, the nearby Honky Tonk clubs of Lower Broadway became a creative breeding ground for hopeful performers, musicians and songwriters yearning to make it in Music City. Part live music venue and part musician community, the clubs provided encouragement, a stage, and a tip jar for struggling artists. Honky Tonk Music has strong roots here and remains a major influence on today's country artists with its raucous tales, country love stories, and sorrows to be drowned in the drinkin' and dancin' culture on Lower Broadway. From legends like Willie Nelson and Kris Kristofferson to hot new artists like Dierks Bentley and Gretchen Wilson, these clubs have nurtured the talent and steeled the nerves of countless hopefuls before they became household names. Today, the Honky Tonks of Lower Broadway have become a must-see destination, maintaining a down-to-earth musician hangout attitude while welcoming visitors from around the world.

Behind the Opry Tour-The Grand Ole Opry is a world-renowned country music stage in Nashville, aka Music City. This admission ticket takes you backstage for a guided tour. Walk in the footsteps of country music's superstars and see where the performers enter the Opry House. Peek into dressing rooms and even see where they pick up their fan mail.

Ryman Theater -When you walk through the doors of historic Ryman Auditorium, one thing becomes clear right away: this isn't just another nightly music venue, and it's so much more than a daytime tourist stop. This place is hallowed ground. This is the exact spot where bluegrass was born—where Johnny Cash met June Carter, where souls were saved and a slice of history was nearly lost. It was right here that country music found an audience beyond its own back porch, and countless careers took off as deals were signed on napkins and paper scraps backstage.

The Grand Ole Opry Saturday Night Show - Country music's biggest stage, home to legends and rising stars. The world's longest running radio show since 1925, the Opry celebrates its 100th anniversary with Opry 100—a year-long celebration featuring bigger, bolder shows.

Louisville Slugger Museum & Factory Tour-Atter up! It takes a special place to craft the #1 Bat in Major League Baseball. At Louisville Slugger Museum & Factory, experience history-in-the-making as you stroll through the actual factory where world-famous Louisville Slugger bats are created. The award-winning factory tour is a highlight of the visit here, but there's plenty more to enjoy along with it. Admire the World's Biggest Bat - stretching 120 feet into the sky. Hold bats actually used by baseball superstars like Mickey Mantle, Johnny Bench, Cal Ripken Jr. And Derek Jeter. Face down a 90-mph fastball hurled by a major league pitcher. Count the homerun notches Babe Ruth carved into his Louisville Slugger bat for every home run he hit with it.

Churchill Downs Tour-Get ready to embark on the most comprehensive tour that the Kentucky Derby Museum has to offer! The Ultimate Churchill Downs Tour guides you through the fabled history, pageantry, and legacy of the Kentucky Derby. You'll visit some of the most exclusive dining and event spaces at Churchill Downs including Millionaire's Row, the Stakes Room, and the Turf Club*. Step onto the balconies overlooking the racetrack for incredible views of the Louisville skyline and the iconic Twin Spires™.

Ruby Falls -Is the tallest and deepest underground waterfall open to the public in the United States. Take a guided Classic Waterfall Tour, Lantern Tour or Extended Cavern Experience Tour along the scenic cavern trail to the breathtaking waterfall. See ancient geological formations, millions of years in the making, and learn about the cave's storied history. Enjoy extensive views of the Tennessee Valley, Cumberland Plateau and the Tennessee River from scenic overlooks and Lookout Mountain Tower.
