About the Tour

Biloxi Shrimping Boat Tour

Take a 70-minute peek into how the journey begins for a shrimp and how it ends up on your plate. Our crew will entertain and educate while dropping a 16-foot trawl and dragging the bottom of the Mississippi Sound for all the delicacies she has to offer. Our guests are exposed to the spectacular world of sea life - caught on a real shrimp expedition.

Experience Mardi Gras-Since 1947, our artists and craftsmen have designed and built the oldest and biggest parade floats and attractions for each Mardi Gras season, with over 500 floats built and decorated each year. When you begin your Mardi Gras World tour, you'll get an overview of the history of Mardi Gras in New Orleans before continuing through our float den, where our artists work year-round to build spectacular floats and props. You never get this close to the floats while they're rolling in Mardi Gras parades, and this is certainly the only place to see how these amazing pieces come to life each year. When you're sightseeing in New Orleans or looking for fascinating tours in New Orleans, this is something you just can't miss. Come see where the Mardi Gras magic is made!
