About the Aquarium Adventure Awaits: See sharks and sea turtles, eels and stingrays among the coral reefs; lemurs and tortoises from the rain forest; river otters and pelicans, gar and gators from local habitats plus, so much more! Discover the wonders of the natural environment and learn about the animals that call it home.

Wetlands of Florida: Birds soar overhead in our iconic 80-foot-tall glass dome, turtles bask in the sun and freshwater fish dart through the water as you wander the Wetlands trail. Enjoy the lush mangrove trees that have grown at the Aquarium since opening in 1995. Lock eyes with an alligator, run alongside the playful river otters and marvel at the beautiful plumage of the roseate spoonbills and white ibises. Explore Florida's freshwater and brackish environments in this immersive experience and gain a new appreciation for the animals that live in Florida!

Wild Dolphin Cruise: You've enjoyed the sea life inside the Aquarium, now admire the wildlife along the waters of Tampa Bay! Climb aboard the Bay Spirit II, our 72-foot catamaran, where an experienced naturalist will serve as your guide to the natural beauty of the bay. Keep your eyes out for a variety of wildlife that calls Tampa Bay home – including bottlenose dolphins, countless native bird species and more.
