A major Atlanta attraction, the park draws some 500,000 visitors each year.

Atlanta: is the capital of the U.S. state of Georgia. It played an important part in both the Civil War and the 1960s Civil Rights Movement. Atlanta History Center chronicles the city's past, and the Martin Luther King Jr. National Historic Site is dedicated to the African American leader's life and times. Downtown, Centennial Olympic Park, built for the 1996 Olympics, encompasses the massive Georgia Aquarium.

The Varsity: "What'll ya have... What'll ya have?" There's no friendlier greeting than the one you'll receive when you step up to the counter at The Varsity. And that's just the beginning of what makes The Varsity so special. There's not a faster, fresher, or more fun-filled dining experience like it anywhere! Gordy family-owned and operated since 1928, The Varsity is a downtown Atlanta institution, and The World's Largest Drive-in Restaurant. Visiting The Varsity before a big game, or anytime for a quick, delicious meal is more than just dining out, it's experiencing an iconic part of Atlanta's culture. Now, with six locations and growing, The Varsity is a ninety-four-year-old fun place to eat that keeps getting better with age.

Come visit the place where it all started, the Jack Daniel Distillery, the oldest registered distillery in the United States! In 1863, Daniel started making whiskey in Lynchburg, Tennessee. The key to the whiskey’s success, Daniel believed, was that it was made with cool, pure, iron-free spring water from a cave on the property. To this day, Jack Daniel’s is only made using this water. Outside of the cave stands a statue of Mr. Daniel himself, watching over the spring of his secret ingredient. Our Jack Daniel Distillery tour offers an insight into how the legendary No. 7 is made, as you get to observe each step of the distillery process.
